

SERVICES AND SPARE PARTS FROM THE MANUFACTURER!

Each machine and unit undergoes a number of test runs with and without dough. Most of our technicians are actually trained bakers. They assemble the machine at our premises and then commission them, using their in-depth knowledge of the baking trade.

If you should encounter any problems, simply contact our spare parts and service department. We are available day and night from anywhere in the world:

During office hours: +43 316.6901.0
 Outside office hours: +43 316.6901.739
